Official Form 309D (For Corporations or Partnerships)**Notice of Chapter 7 Bankruptcy Case -- Proof of Claim Deadline Set**

12/15

For the debtor listed above, a case has been filed under chapter 7 of the Bankruptcy Code. An order for relief has been entered.

This notice has important information about the case for creditors, debtors, and trustees, including information about the meeting of creditors and deadlines. Read both pages carefully.

The filing of the case imposed an automatic stay against most collection activities. This means that creditors generally may not take action to collect debts from the debtor or the debtor's property. For example, while the stay is in effect, creditors cannot sue, assert a deficiency, repossess property, or otherwise try to collect from the debtor. Creditors cannot demand repayment from debtors by mail, phone, or otherwise. Creditors who violate the stay can be required to pay actual and punitive damages and attorney's fees.

To protect your rights, consult an attorney. All documents filed in the case may be inspected at the bankruptcy clerk's office at the address listed below or through PACER (Public Access to Court Electronic Records at www.pacer.gov).

The staff of the bankruptcy clerk's office cannot give legal advice.

Do not file this notice with any proof of claim or other filing in the case.

Debtor **LeClairRyan PLLC**

Case number **19-34574-KRH**

8. Deadlines The bankruptcy clerk's office must receive proofs of claim by the following deadlines.	Deadline for all creditors to file a proof of claim Filing deadline: December 13, 2019 (except governmental units): Deadline for governmental units to file a proof of claim: Filing deadline: March 2, 2020 A proof of claim is a signed statement describing a creditor's claim. A proof of claim form may be obtained at www.uscourts.gov or any bankruptcy clerk's office. If you do not file a proof of claim by the deadline, you might not be paid on your claim. To be paid, you must file a proof of claim even if your claim is listed in the schedules that the debtor filed. Secured creditors retain rights in their collateral regardless of whether they file a proof of claim. Filing a proof of claim submits the creditor to the jurisdiction of the bankruptcy court, with consequences a lawyer can explain. For example, a secured creditor who files a proof of claim may surrender important nonmonetary rights, including the right to a jury trial.
9. Creditors with a foreign address	If you are a creditor receiving a notice mailed to a foreign address, you may file a motion asking the court to extend the deadlines in this notice. Consult an attorney familiar with United States bankruptcy law if you have any questions about your rights in this case.
10. Local Rule Dismissal Warning	Case may be dismissed for failure to timely file lists, schedules and statements, or to attend meeting of creditors. (Local Bankruptcy Rules 1007-1, 1007-3, and 2003-1.) Trustee may at the meeting give notice of intention to abandon property burdensome or of inconsequential value or intent to sell nonexempt property that has an aggregate gross value less than \$2,500. Objections thereto must be filed pursuant to Local Bankruptcy Rules 6004-2 and 6007-1.
11. Payment of Fees for Richmond Case and Adversary Filing and Miscellaneous Requests	Exact Change Only accepted as of February 4, 2008, for payment of fees and services. Payment may be made by non-debtor's check, money order, cashier's check or a 'not to exceed check' made payable to Clerk, U.S. Bankruptcy Court, or any authorized non-debtor's credit card.
